Dear Parents and Bousherians,  
**Greetings!**

18 September 2021

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Indian School Bousher, which is known far and wide for its excellence.

I am honored to have the opportunity to lead a school with such a rich tradition of education. I would express my deepest gratitude to the Board of Directors and the School Management Committee for giving me this opportunity to head one of the best schools in Oman.. I would like to give my assurance to keep up the promise of our Tag line – **‘Educate to Innovate with Innovation.’**

I am an educationist, passionate about education. I have been actively working in the education sector since last 20 years. I have worked at different capacities like Asst.Teacher, Head Master, Principal ,Sr Principal and Director-advisory. Most recently I have served as a Principal at Podar International School, Mumbai, India.

‘Teamwork is the infrastructure on which an institution is built’. The parents of Indian School Bousher through their cooperation and love have built up this school, even though only 2 years old, is a name to reckon with. I recognize each of your efforts and hard work that goes into making each of the programs or events successful and I know for a fact that this passion and support is assured.

I assure that we will work together to provide the students the best opportunities in preparing for the world, ready to master challenges placed in their path and will take our school to greater heights and make it a **‘World Class Institution of the 21<sup>st</sup> Century.’**

As a principal, I believe and practice "open door policy". This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open and I welcome your input. Please feel free to step in or call to make an appointment to discuss your concerns, suggestions, or ideas to help make this year the best it can be!

Please stay safe and have a great school year

Sincerely

**MR. BHAVESH BHALERAO D**
