Back to School Circular and Guidelines

Dear Parents of Kindergarten and Grade 8, 9 and 10

Namaste!!

“THIS IS A NEW BEGINNING. AND THINGS WILL CHANGE.”

From 3rd October 2021, students of Kindergarten and Grade VIII to X will start their regular schooling.

‘SCHOOL’ is an acronym for Student Come Here Obtain Objective of Life. SCHOOL is an institution where pupils are provided with a learning environment in the presence of teachers. We have missed the in-school atmosphere for the last one and a half years. **It is a joyous occasion that we are on the threshold of reopening**

the school in a phased manner. The Covid 19 protocols and the guidelines by the Ministry of Education are to be strictly adhered to.

As per the directives given by MOE and the guidelines suggested by BOD, Indian School Bousher is set to reopen the classes at ISB as shown below.

From October 3rd, 2021, all teaching and learning at ISB will be face-to-face only, except in exceptional circumstances. As mentioned earlier our school reopening will be in a phased manner.

First Phase – Students of Kindergarten and Grades VIII, IX & X.

Please note – **An Orientation is scheduled on Saturday, 25th September 2021 at 7:00 PM**, to acquaint all about the new guidelines and protocols.

At Indian School Bousher, health safety and wellbeing are at the top priority and we request you all to please read the guidelines shared, carefully to understand the collective roles and responsibilities of all of us as a community to ensure the safest and smoothest possible start of the Happy Schooling with health and safety as a priority at all times.

General Guidelines:

- **All staff – teaching & non teaching are fully vaccinated.**
- All students above 12 years of age who are vaccinated are permitted to enter the school premises.
