Resident Card - Last Date Extended

Dear Parents,
Greetings.

As per the circular sent to you last week, regarding the submission of copy of resident card of your ward to the School through the CM/HRF, we would like to inform you that the **last date is extended till 16th September 2021.**

Based on few queries from parents, the following points are given:

- 1) Students of all age studying in our School should have their resident cards.
- 2) The valid resident card soft copy should be sent to the Class Mentor/Home Room Facilitator **by or before 16th September 2021.**
- 3) It is not School's decision. It is the instruction to the School authorities from the higher officials in Oman.

- Principal-In-Charge
